CURRENT SITUATION:

Council is responsible for the enforcement of regulations relating to the keeping, welfare and control of dogs within the Wairoa District. Council is required under the DCA to make provision for the control of dogs and the damage they can cause. Impounding of dogs is an activity required by the provisions of the DCA and associated Wairoa District Council Dog Control Bylaws and Dog Control Policy. The Council has a responsibility to respond to complaints relating to dogs. Council's long term focus for dog control activities is to ensure a safe living environment is maintained through the monitoring and enforcement of legislation, regulations and bylaws.

Council adopted its "Dog Control Policy" on 9 November 2004. The policy provides a practical framework for the care and control of dogs throughout the District while minimising any danger, distress and nuisance to the community generally.

Council's Dog Control Bylaw is currently under review as apart of the Bylaws Review process. Council's Dog Control Policy will also need to be reviewed as part of this process.

Wairoa District has 1,243 dog owners and 3,236 dogs. One full-time Dog Control Officer with the aid of part-time Officers are responsible for a small urban and large rural area covering 412,000 hectares with 896 kilometres of roadway.
