INDEPENDENT AUDITOR'S REPORT

TO THE READERS OF WAIROA DISTRICT COUNCIL'S SUMMARY OF THE ANNUAL REPORT FOR THE YEAR ENDED 30 JUNE 2012

We have audited the summary of the annual report (the summary) as set out on pages 4 to 8 which was derived from the audited statements in the annual report of the Wairoa District Council (the Council) for the year ended 30 June 2012 on which we expressed an unmodified audit opinion in our report dated 23 October 2012.

The summary comprises:

- the summary statement of financial position as at 30 June 2012, and summaries of the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended and the notes to the summary financial statements that include accounting policies and other explanatory information; and
- the summary of the Council's non-financial performance information and summaries of other information contained in its annual report.

Opinion

In our opinion, the information reported in the summary complies with FRS-43: *Summary Financial Statements* and represents, fairly and consistently, the information regarding the major matters dealt with in the annual report.

Basis of opinion

The audit was conducted in accordance with the Auditor-General's Auditing Standards, which incorporate the International Standards on Auditing (New Zealand).

The summary and the audited statements from which they were derived, do not reflect the effects of events that occurred subsequent to our report dated 23 October 2012 on the audited statements.

The summary does not contain all the disclosures required for audited statements under generally accepted accounting practice in New Zealand. Reading the summary, therefore, is not a substitute for reading the audited statements in the annual report of the Council.

Responsibilities of the Council and the Auditor

The Council is responsible for preparing the summary in accordance with FRS-43: Summary Financial Statements. We are responsible for expressing an opinion on the summary, based on the procedures required by the Auditor-General's auditing standards and the International Standard on Auditing (New Zealand) 810: Engagements to Report on Summary Financial Statements.

Other than in our capacity as auditor we have no relationship with, or interest in, the Council.
