### CLASSIFICATION - tick the appropriate box

We will be in contact with you when your application is processed for you to apply for a Responsible Dog Owner Licence.

#### What is a menacing dog? *(under section 33, Dog Control Act 1996)*

Dogs can be classed as menacing from their breed or are reported to be posing a threat to people, stock and wildlife. There are also five types of dogs automatically classed as menacing - the Brazilian Fila, Dogo Argentino, Japanese Tosa, Perro de Presa Canario and Pit Bulls.

A menacing dog must be on a lead and muzzled at all times when in public places to ensure the risk to the public is minimised.

#### What is a dangerous dog? *(under section 31, Dog Control Act 1996)*

Dangerous dogs are those classed as high risk, usually after an attack or aggressive behaviour that is deemed to be a serious threat to the community. Unlike menacing dogs, there are no specific breeds deemed dangerous.

Once a dog is classed as dangerous it must be kept in a property that is securely fenced and allows safe access to at least one door of the dwelling. It must be on a lead and muzzled at all times in public and be neutered.

One or more of your dogs are classified 'menacing'?  Dog(s) name(s) \_\_\_\_\_

One or more of your dogs are classified 'dangerous'?  Dog(s) name(s) \_\_\_\_\_
