Restricted fire season

The Wairoa coastal area is now under a restricted fire season.

This means anyone planning on lighting an open-air fire will need to apply for and obtain a permit at www.checkitsalright.nz.

The decision to move into a restricted season is due to prolonged dry conditions, warmer temperatures, drying winds, and lack of rainfall.

People need to be conscious of the surrounding fire risk conditions and consider if they need to light a fire.

Visit www.checkitsalright.nz to check the daily fire risk conditions.

The Wairoa Library Apricot Tree Draw

Did you save seeds from plants you have grown in the Seed Exchange? Bring these saved seeds back to the library and go into the draw to win two apricot trees (the winner will take both trees).

Put your seeds into the brown envelopes provided at the library's Seed Exchange station and include your name, email address and name of the seed.

Drawn 31 January 2025, the winner will be notified by email.

Shop Window Decoration Competition

Wairoa businesses are invited to get into the Christmas spirit by decorating their shop windows!

The competition closes 5pm Wednesday 11 December. To enter your business head to www.wairoadc.govt.nz/a-kiwiana-christmas/christmas-window-display-competition

Support for local businesses

DOGS IN CARS

Temperatures inside a car can climb to more than double the outside temperature in a matter of minutes.

Dogs rely on panting to cool down but if the air around them is too hot they are unable to get their body temperature back to normal.

It is safer to leave your dog at home.

For more dog safety related info call 06 838 7309 or email compliance@wairoadc.govt.nz
